Limited Warranty

Every LOCKDOWN product is warrantied to be free of defects in materials and workmanship for a period of one (1) year from the date of original purchase. LOCKDOWN will, at its option, repair or replace without charge, except for transportation costs, parts that fail under normal use and service when operated and maintained in accordance with our Instructions. This warranty does not apply to normal wear or to items whose life is dependent upon their use and care. This warranty is in lieu of all other warranties, expressed or implied and releases LOCKDOWN, its affiliates, and its vendors from all other obligations and liabilities.

NOT WARRANTEED AGAINST MISUSE, ABUSE, OR COMMERCIAL USE.

Magnet - For Metal Interiors

Vampire Clip - For Carpet Interiors

Installation Notes:

- Check for clearance with shelves or other items before mounting organizers on the vault door.
- This product is designed to hold up to 5lbs with Magnets or 10lbs with Vampire Clips. More weight can cause the product to fall resulting in damage to the product or its contents.
- Vampire Clips are designed for use on carpeted interiors
- Magnets are designed for use on bare metal interiors

Inserting/Removing Vampire Clips & Magnets

- To remove, pull the Wire Clip out of the Webbing Strip on the back side of the Organizer. Then separate the Wire Clip from the Magnet or Vampire Clip as shown above.
- To install, slide Vampire Clip or Magnet into the Wire Clip, making sure that the edges are captured by the Wire. Then slide the Wire Clip into the Webbing Strip on the back side of the Organizer. (SEE PHOTOS BELOW)
- ALL PRODUCTS COME WITH MAGNETS PRE-INSTALLED IN WEBBING STRIP

Vampire Clips (for carpeted interiors):

- Bend wires away from part so they protrude past back edge of Clip.
- Press Organizer against wall of Vault and slowly slide downward 1-2".
- All Vampire Clips must be fully seated into carpet before inserting any items. (The Large Organizer uses three Vampire Clips)
- Once the Organizer is in-place, test the holding force to be sure it can support the weight of the items.

Magnets (for metal interiors):

- With all Magnets installed, place the Organizer in the desired location. (The Large Organizer uses three Magnets)
- Once the Organizer is in-place, test the holding force of the Magnets to be sure it can support the weight of the items. Different vaults will provide different levels of holding strength with Magnets.
- NOTE: Account for extra forces beyond the weight of the items due to slamming of the door, pulling on the pockets, etc...
- NOTE: This accessory is provided with very strong Magnets. Do not place any electronic devices within the vicinity of this Magnet as it may damage them.
- NOTE: Use caution when handling the Magnets. The strong Magnetic force may cause them to suddenly snap together.

WARNING	Never place a loaded gun in this product. The gun could fall and discharge, causing serious injury or death.
